Sir,

I am to state that with reference to the scheme for the administration of the above fund approved in G.O. No. 3509 L & M, dated 29-8-1935, the interest of the fund is to be utilised for providing trusses for the patients in the Headquarters Hospital, Mangalore.

2. The District Medical Officer, South Kanara has reported that a majority of the cases are now operated upon and that therefore the need for trusses is very little and may not arise at all. It is therefore proposed to utilise the interest accruing on the fund for the purchase of any equipment required for the Wenlock Hospital and to amend para 3 of the scheme as follows:-

> " 3. The interest accruing on the fund shall be paid to the Director of Medical Services who shall utilise the same towards the maintenance of the Government Wenlock Hospital, Mangalore."

3. In the circumstances, I am to request that the Government may be pleased to approve of the above proposal and issue necessary orders amending para 3 of the scheme for the administration of the fund.

Yours faithfully,

for Director of Medical Services.

I am to state that the Treasurer of Charitable Endowments who was consulted in the matter, has suggested that it would be sufficient to notify only the amendments proposed to be issued for the modification of the scheme referred to above, vide G.O.No.Ms.2705 Health dated 21.8.52. Accordingly a draft amendment to the notification vesting the securities of the funds in the Treasurer of charitable endowments was submitted to the Government in this office letter Ref.No.21013-A2/52 dated 21.11.1952. Barring this letter and the draft amendment, no other application for modifying the scheme was intended to be submitted to the Government.
